Profile Summary

- Electronics, Communication and Information Engineering graduate and Lecturer with experience in teaching programming and core computing subjects. Actively involved in research, with published research papers in computer vision and assistive technologies. Passionate about applying technology to solve real-world problems.

Education

Institute of Engineering, Pashchimanchal Campus 2021 – 2025

- Bachelor's in Electronics, Communication and Information Engineering

Experience

Lecturer | Infomax College of IT and Management March 2026 - Present

- Deliver lectures on Python programming and Integrated Computer Systems to undergraduate students.
- Serve as a coordinator for the Research Management Cell (RMC).

Data Science Intern | Tangible Careers July 2024 - Oct 2024

- Developed a Python-based regression model to forecast ride demand, applying real-world datasets.

Projects

Obstacle Detection System for Visually Impaired | (Python, OpenCV, YOLOv3)

- Developed a real-time obstacle detection system using YOLOv3 and OpenCV for assistive navigation.

Finance Tracker System | (Django, PostgreSQL, React)

- Developed a personal finance tracker to manage income, expenses, and savings with intuitive dashboards.

Task Scheduler | (FastAPI, Celery, PostgreSQL, Docker)

- Developed a task scheduler with FastAPI backend, Celery workers, and Streamlit dashboard.

Publications

- Laudari Bhat, A., **Khatri, B. K.**, Rijal, G., Gupta, R. K., & Adhikari, S. (2025). Obstacle Detection for Visually Impaired. In Proceedings of IOE Graduate Conference (IOEGC-16), Volume 16. [PDF Link]
- Laudari Bhat, A., Sapkota, A., **Khatri, B. K.**, Rijal, G., & Baral, H. P. (2025). Nepali sign language recognition using YOLO. In *Abstract book, RTSTI-2025* (Abstract 20P-MAC-ORAL-051, p. 90). [PDF Link]

Technologies

Programming Languages: C, C++, Python, Javascript

Frameworks / Libraries: Django, FastAPI, pandas, NumPy, Streamlit

Databases / BI Tools / Other Skills: PostgreSQL, MySQL, Power BI, Git, Docker, Celery, Redis, REST APIs

Achievements

BE Project Demonstration, MechTrix, Pulchowk Campus Winner

Project Demonstration, Octate, Pashchimanchal Campus Winner

Certifications

Machine Learning Specialization

Coursera (DeepLearning.AI, Andrew Ng)

Issued: August 2023

Leadership and Involvement

Vice-President, FemTech Club

June 2024 - Feb 2025

Member, Robotics Club

2022 - 2024
